Mrs. Walton Presents Program To Junior FHA

The Appomattox Middle School's Future Homemakers of America meeting was held on November 16, 1978 at the Middle School cafeteria. The meeting was called to order by the president, Karen Doss. Then we took care of all business.

Pauline Lovelace, chairman of the Member and Officer of the Month committee, reported that Bobby Stanley was the November member of the month and Karen Doss was the officer of the month.

The program was on "Christmas Crafts". Mrs. Shirley Walton from the extension office came and showed us some different types and ideas for Christmas gifts that we can make. After the program, the meeting was adjourned by our President, Karen Doss.

Renee Wells, AMS FHA Reporter

Jr. FHA Officer of the Month

The "Officer of the Month" for November in the Junior FHA Chapter at the Appomattox Middle School played in the FFA-FHA volleyball game and collected money at the door. She sold spirit sticks, attended the executive council meeting, and helped plan and put up an FHA bulletin board. She is also running for Miss FHA. November's "Officer of the Month" is Karen Doss.

Bobby Stanley

Jr. FHA Member of Month

The "Member of the Month" for November in the Junior Chapter of Future Homemakers of America modeled in the fashion show at the October meeting. This member played in the FFA-FHA volleyball game, helped with the spirit stick candy sale and is running for Mr. FHA. This month's "member of the month" is Bobby Stanley. Congratulations!

Missionary To Speak At Calvary Baptist Church

Edith Vaughn, a Southern Baptist missionary on furlough from North Brazil, will be guest speaker at Calvary Baptist Church in Concord on November 26 at the evening worship service. Evening services begin at 7:30 p.m.

Ms. Vaughn, a native of Virginia, received the Bachelor of Arts degree from Randolph-Macon Woman's College and the Master of Religious Education degree from Woman's Missionary Union Training School (now merged with Southern Baptist Theological Seminary), Louisville, Kentucky. Prior to her appointment by the Foreign Mission Board, Ms. Vaughn taught high school in Covington, did mission work in mining communities in Western Virginia and later directed the good will center maintained by the W.M.U. Training School in Louisville, Kentucky. Her current assignment is that of coordinator of social service ministries of the Seminary of Christian Education in Recife, Brazil. The seminary is a Baptist training school for teachers. Ms. Vaughn teaches evangelism and missions at the seminary and leads students in special social work and evangelistic projects in the city.

The public is cordially invited to attend this service. A nursery will be provided.

CVAC Attended State-Wide Work-Study Conference

The Central Virginia Commission on Aging (CVAC) attended a state wide work-study conference on Home-health/Homecare, sponsored by the National Council for Homemaker/Homehealth Aid Services in Charlottesville, November 15 - 16.

The goal of a Homemaker/Homehealth program would be to provide a temporary in-home service to the fragile or handicapped elderly. A trained, supervised team of workers and would assist with personal care and domestic tasks in order that they regain and or maintain the self-sufficiency needed to remain at home.

The objective of the workshop was to help increase the understanding of coordination and planning of Home Care by Health Systems Agencies, Area Agencies on Aging and State Agency Planners.

CVAC is considering the possibility of a study with other agencies to implement a Homehealth/Homecare program here in Planning District 11. Presently there are no funds available for such a study.

Attending the conference for CVAC was: Mrs. Matthew, Mr. W. Clair, Mrs. S. Brooks and Mrs. Gail Conner.

HAPPINESS IS 4-H

By Frank H. Sweet
Extension Agent

Laurie McLean leaves tomorrow (Friday) for National 4-H Congress in Chicago. Laurie earned her trip through her Achievement Record in the Clothing program. State winners from all 50 states will be competing for College scholarships while in Chicago. Laurie is the daughter of Mr. and Mrs. John McLean of Appomattox.

The Appomattox County 4-H Share-the-Fun Show will be next Thursday, November 30 beginning at 7 p.m. at the Appomattox County High School. This year's show should provide some outstanding talent for the audience. Make your plans to attend. Admission will be 25c.

* * *

Over 120 4-H'ers took part in Share-the-Fun qualifying programs last week. Ribbons were awarded to all participants and the top acts were selected to go on to the county Share-the-Fun program. Congratulations to all 4-H'ers who took part.

* * *

The long time 4-H Dog Care Members Manual is no longer available. The excellent publication was provided for years by the National 4-H Dog program sponsor: Ralston Purina.

The old members' manual has been replaced with four separate manuals on Training, Obedience, Grooming and Handling and the care of Dogs and Puppies. Members having the older manuals should keep them for reference.

* * *

4-H'ers will be able to sign up for the Pine Seedling program in December. In this program, 4-H'ers receive loblolly pine seedlings from the Virginia Division of Forestry. Details about the program will be available shortly.

* * *

4-H'ers of the Week - All those 120 members who took part in 4-H Share-the-Fun.

Hollywood

Rev. Dan Menser and Mr. H. W. Jenkins visited Mrs. Virgie Beasley and others at the Martin-Wooldridge Nursing Home Monday. Mr. Benjamin Beasley of Wythville visited his mother Friday. Mr. and Mrs. George Inge of Chester, Virginia were visitors of Mrs. Beasley Saturday. Mr. Grover Beasley Jr. visited his mother Sunday.

ASCS TODAY

By Tom Conrad

Virginia's 1978 Wheat Production Totals 5.4 Million Bushels - Wheat farmers in Virginia have produced 5.4 million bushels of wheat in 1978. The production compares with the 6.3 million bushel total in 1977 and 7.6 million bushels in 1976.

Virginia wheat farmers expect to average 36 bushels per acre this year, compared with 31 last year and 32 two years ago.

The October 1 estimate showed that nationally, production of winter and spring wheat combined is expected to drop 12 percent from last year's 2.03 billion bushels to 1.78 billion, and 17 percent less than the record high 1976 crop. Although the yield per acre increased in 1978, the overall production decreased primarily because of participation in the 1978 wheat set-aside program. The 1979 wheat set-aside program was announced on August 15 and is very similar to the 1978 program.

Winter wheat seeding for the 1979 harvest reached 48 percent complete by October 1, lower than last year's 63 percent and the average of 58 percent. Planting in the northern Great Plains advanced rapidly and kept pace with recent years. In the central and southern Great Plains wheat seeding lagged during September because of dry soils. Late September rains in parts of the region improved germination prospects of dry-seeded stands.

USDA To Test Tobacco For MH Levels; Exports Reported Threatened - The U. S. Department of Agriculture will begin chemically testing samples of tobacco offered for auction sale to determine whether the tobacco contains excessive residues of MH (Maleic hydrazide), a sucker control chemical. Ray Fitzgerald, administrator of ASCS, said the department is concerned over reports that U.S. tobacco producers may be endangering their export markets by applying more MH than required.

Foreign manufacturers who buy large quantities of U.S. leaf have warned U.S. tobacco exporters that MH residue levels on U.S. tobacco are substantially exceeding the maximum tolerance which some foreign governments are considering for application to tobacco products. If the chemical test show that MH residue levels are higher than necessary USDA will determine what actions are needed to reduce the residue levels in order to avoid a loss of U.S. tobacco markets, Fitzgerald said.

Committee Elections - The slates of nominees for Stonewall, Cloverhill, and Southside communities have been completed.

By November 24 all known eligible voters in each community will be mailed a ballot listing the six nominees from their respective community to serve the administration of ASCS programs, for 1979. When you receive your ballot I'd ask that you please open it and vote for the nominees of your choice to serve on your community for the 1979 year. In filling out the ballot, please pay close attention to the instructions printed on the ballot. The instructions must be followed in order that the ballot be valid.

All ballots must be returned to the ASCS office by December 4. The ballots will be counted at the ASCS office on December 8 starting at 9:30 a.m. and the public is invited to attend.

If you have any questions concerning the elections please contact us.

Fire and Sun Cured Tobacco - Fire and Sun Cured tobacco marketing cards have been mailed to producers. If you did not receive your card please contact the ASCS office immediately.

The Fire Cured warehouses open this year on November 28. All tobacco must be booked for sale in advance at the warehouse of your choice. If you have not already booked your tobacco you may want to do so as soon as possible.

If you are unaware of the booking details please contact the ASCS office.

The Sun Cured tobacco marked opens on December 5 this year.

Burley Tobacco - Burley tobacco marketing cards are now ready for use and may be picked up at the ASCS office.

Sugar Snap Gold Medal Winner

Sugar Snap is a 1979 All-American selection Gold Medal winner. It's an edible podded snap pea. Now you can enjoy an edible podded pea so crisp, sweet and succulent that it can be snapped into pieces and mixed into salads or eaten whole as an appetizer. Unlike flat, podded, sugar or snow peas which should be eaten when the pods are small, sugar nap remains in prime condition for days. Sugar snap pods have a distinctive appearance and flavor. Round (cross section) pods with very thick walls can be eaten at fully mature sizes 2½ to 3 inches in length.

Mature pods require stringing. Should any pods overgrow and begin to turn yellow, you can shell them and combine the green peas with the edible pods. Vegetable experts across North America who have tried sugar snap agree that it promises to raise the popularity of garden peas by increasing the yield of edible matter. You end up with more than twice as much food per foot of row than from peas that have to be shelled.

Edible podded peas are nutritious and filling, but not as high in total carbohydrates and fats as green shelled peas. The crunchy pods contribute fiber, vitamins and some carbohydrates. If you cook sugar snap pods, don't overdo it. Lightly steam or stir fry in oil to retain a hint of crispness. Overcooking will make pods come apart.

Sugar snap is easy to freeze, but cannot be canned. The high temperature in canning destroys the structure of pods.

Vines are tall. Supports are recommended. Where cool growing conditions encourage vine growth, plans may reach six feet or more in height. Four feet is the average height for spring planted crops and 70 days to maturity from seeding in the garden. Plans are resistant to common pea wilt. Spring plant seeds just as soon as the soil has dried enough to work.

EVERGREEN 4-H CLUB

The Evergreen 4-H Club had their November meeting in the home of Phil Mobley. President Kim Maxwell opened the meeting with the Pledge of Allegiance to the flags. Tambra Hamlett led us in the American Pledge and Karen Stevens led us in our 4-H pledge.

Our recreation leaders, Vicki and Brenda, led us in a game. Tambra Hamlet read the minutes of the last meeting. We talked about Share-the-Fun. The following is a list of people that are going to be in Share-the-Fun: Joanie Canada, Charlene Harvey, Bernadine Garrett, Anita Harvey and Karen Stevens.

We had 14 members and one grown-up present. In our club we had three people in the Bike-A-Thon. Between them they raised $55.00 in all. They are Anita Harvey, Beth Cardwell and Karen Stevens.

After that Phil Mobley gave a talk about gun safety. Then we showed some Christmas ideas. Then the president, Kim Maxwell, adjourned the meeting. We had fellowship and took pictures. We will meet in the home of Gary and Karen Stevens on December 15 for a Christmas Party from 7 to 9 p.m. Bring one gift that is under 50c for a girl and boy. Come and have fun.

Fidelity's 5% Christmas Club...
For the kind of Christmas you remember all your life.

Take a minute to think about some of the "special" Christmases in your life. Maybe the one when the kids got the puppy that was a member of the family for eighteen years. Or the Christmas reunion, when all the aunts and cousins and grandparents came—and you couldn't walk for kids and presents. Or the many times the two of you danced to the Bing Crosby Christmas album, all alone, by the light of the tree. Special holidays, to dream of year after year. At Fidelity American Bank, nothing makes us happier than playing a part in somebody's "special" Christmas. Next year, let us be part of yours. Simply open a Fidelity Christmas Club, add to it here and there during the year and, when it's paid up, get back all your money and 5% interest...just in time to make next Christmas as nice as all the ones in your dreams.

FIDELITY AMERICAN BANK
